

# What is Positive Behaviour for Learning?

Positive Behaviour for Learning (PBL) helps schools create a safe and supportive environment for every child. PBL brings together teachers, staff, students, and parents to set expected behaviours and clear and consistent boundaries to support every student to be successful.

Expectations are taught so everyone knows what to do.

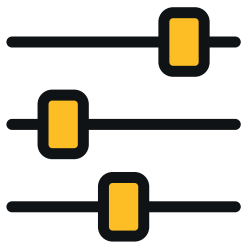

It applies to everyone in the school.

It helps your child feel safe and supported.

It creates an environment for learning.

It is adapted to suit the age of your child.

It teaches your child to understand what is expected of them.

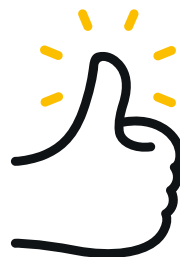

It's developed with input from parents.

It helps your child learn social and emotional skills.

Everyone is informed about it.

It helps your child to thrive at school.
